SOVA Appoints New Public Sector Partner Manager

Verizon Platinum Partner Strengthens Resources for Public Sector

August 15, 2016 – [SOVA, Inc.](#), a top Telecom Master Agent and Platinum and Elite member in the [Verizon Partner Program](#), announced today that Miranda Godlewski has been promoted within the company to manage their Verizon Public Sector Program. Godlewski will be responsible for supporting SOVA’s agent community on approved Public Sector (State, Local, Federal and Education) opportunities. Previously she served as an Account Manager for SOVA’s Verizon Elite Program.

“I am honored and excited to lead SOVA’s Public Sector program,” commented Godlewski. “This appointment reflects SOVA’s commitment to assisting our Agent Community in expanding their business in the public sector space. Verizon Public Sector Channel Managers are available in region to help me and our Agents identify opportunities and work side-by-side to

close them. Combining the regional Channel Manager approach along with the resources of SOVA's highly seasoned back room amounts to a winning sales formula".

Up until recently, Public Sector accounts had been restricted. SOVA is one of the few partners in the Verizon Partner Program given authorization to sell into these accounts. "Our partnership with Verizon keeps growing and growing. Opening up Public Sector accounts to SOVA and our agent community has been a long time coming, and it is a huge success for all," said E. Gene Esopi, SOVA's President and Co-Founder.
