SOVA, Inc. Announces Expansion with New Office Space

Company growth requires additional Sales Support location

August 15, 2016 – [SOVA, Inc.](#), a leading Telecom Master Agent and Platinum and Elite member in the [Verizon Partner Program](#), announces the opening of a second office to accommodate their significant growth and future expansion plans. The new office space is 5 miles from their corporate location and is the latest addition to the telecom master agency which specializes in offering Verizon solutions to their agents and business customers nationwide.

“We are very excited about adding this new office to our list of locations. It allows us to increase and expand our capabilities for supporting our Agents and customers. Our Pre- and Post-Sales Support teams are now positioned in the same area, improving both internal and external communications, and most importantly providing greater efficiency in how we serve our partners,” said SOVA President and Co-Founder, E. Gene Esopi.

“We were very fortunate to find such a great space so close to our corporate office. Both offices are designed to enhance our operational standards and allow us to continue to grow and evolve to keep pace with the needs of our top-tier Verizon program status,” said Mary Trainor, SOVA’s Vice President and Co-Founder.

The new office is located at 48 S Main Street, Suite 301, Pittston, PA 18640.
