**Never Miss an Opportunity to Serve Your Customers.**

No matter what your customers want to talk about, they need to feel they come first. But if customers can't reach you when they want, it's a missed business opportunity. Verizon's One Talk Solution combines landlines and smartphones into one, so customers can reach you anytime.

**Benefits Include:**

- One Business Number
- One Experience
- One Contract, One Bill
- Any Device, Any Network
- Never miss a business call

**Never Miss an Opportunity to Serve Your Business.**

Switching or adding new services to your business can be intimidating. But it doesn't have to be. Verizon has partnered with SOVA, a premier provider of One Talk solutions. Together, Verizon and SOVA provide exceptional care during all phases of the One Talk order process. Your business will experience the quality of Verizon's exceptional services, along with SOVA's top-rated, white glove support approach.
